

Were You Recently Diagnosed with Type 2 Diabetes?

Enroll in the American Diabetes Association's *Living With Type 2 Diabetes* Program.

This free program can help you learn more about diabetes and how to manage it. Enroll and we'll help you get started by sending you the *Where Do I Begin?* booklet. Then, over the next 12 months you'll receive more information and tools to help you learn how to live well with diabetes. You'll also find opportunities to find support in your community and online.

Enroll today and let the American Diabetes Association help you learn to live well with type 2 diabetes.

In which language do you prefer to get information? English Spanish

How would you like to receive information from this program? Online US Postal Mail

If you choose online, you must provide your e-mail address, below.

_____	_____	_____	_____	_____
Title	First Name	Middle Initial	Last Name	Suffix
_____		_____		
Address		Address 2		
_____	_____	_____	This address is my <input type="checkbox"/> Home <input type="checkbox"/> Work	
City	State	Zip		

Email Address				

Please help us better serve you by answering these optional questions:

Date of Diagnosis (MM/YYYY) (optional)
